STATEMENT OF OBJECT AND REASON

The Bill seeks to repeal the existing Goa Shops and Establishments Act, 1973 (Act No. 13 of 1974) as was assented by the then Administrator of Goa Daman and Diu on 28th September 1974 which was made effective from 7th October 1974. The Act was enacted to regulate the conditions of work and employment of workers in shops, commercial establishments, restaurants, theatres and other establishments and for matters connected therewith. The Act was extended to whole of the then Union Territory of Goa, Daman and Diu.

Subsequently various amendments were carried out to the existing Goa Shops and Establishments Act, 1973 (Act No 13 of 1974) to meet the requirements from time to time. However, by the lapse of time certain existing provisions had become defunct.

The current digital technology has revolutionized the mode of business activities whereby it is possible to offer for sale goods and services online without any physical and geographical limitations and time limitations. The business activities can be carried out on 24 hour basis. Therefore, the provisions of the said Act of keeping a shop or establishment closed for a business on one day of the week and to restrict the opening and closing hours of establishments have become obsolete. It has become necessary to provide even platform for offline business to compete with online business and to permit to operate shops and establishments for twenty-four hours and all days in a week.

In line with the “ease of doing business” policy of the Government, it is necessary that the marginal and small establishments engaging less than twenty employees need to be liberalized from registration under the Act.

That there is a constant and gradual rise in women workforce who are willing to work on par with their male

colleagues and counterparts. Allowing them to work in night shift on par with that of men workers subject to certain reasonable terms and conditions will increase their earning capacity resulting in their empowerment.

The Central Government has also circulated a model Shops and Establishments (Regulation of Employment and Conditions of Service) Bill, 2016, which has been finalised after detailed deliberations and consultation process, to all the State Governments for consideration.

In view of the above, the Government of Goa considered it expedient to enact a new law, on the lines of the model Bill circulated by the Central Government, for regulation of conditions of employment and other conditions of service of workers employed in various establishments by repealing the existing Goa Shops and Establishments Act, 1973 (Act No. 13 of 1974).

The Bill seeks to achieve the above objectives.

FINANCIAL MEMORANDUM

There are financial implications involved in the Bill, as Bill seeks to enhance the applicability of the Act, from existing nil workers to 20 workers. By increasing the applicability most of the establishments employing less than twenty employees shall be out of the purview of the Act, as a result of which no revenue will be generated by way of registration and renewal of establishments under the Goa Shops and Establishments Act, 1973 and the Rules made there-under.

**MEMORANDUM REGARDING DELEGATED
LEGISLATION**

Clause 1(4) of the Bill empowers the Government to appoint a date by way of notification for bringing the Act into force. Clause 41 of the Bill empowers the Government to frame rules for carrying out the provisions of the Act and prescribe the form, fees, etc.
